## Distributor VFD Checklist

A “Distributor” means any person who distributes a medicated feed containing a VFD drug to another person.

- ✓ Review the *JBS United Veterinary Feed Directive for Distributors* brochure for VFD information
- ✓ Review the *VFD Resource Center* (JBSUnited.com/VFD) and periodically check the site for updates
- ✓ Review FDA’s *#120 Guidance for Industry* on the *VDF Resource Center* (JBSUnited.com/VFD) to familiarize yourself with the VFD requirements
- ✓ Know which medications and medicated feeds are currently inventoried, and which products will require a VFD
- ✓ Know which medications and medicated feeds are available from your suppliers
- ✓ Develop an inventory control plan to account for unpredictable usages and unused product when VFDs expire
- ✓ Upload distribution sites into the *Global Vet Link* site (if currently using e-VFDs) by contacting GVL Sales – 515-817-5703 or GVL Support – 515-817-5704
- ✓ Develop a return goods policy (factoring in biosecurity measures) when requested to return unused product sold to a client
- ✓ Develop a record-keeping system to maintain VFDs and related records
- ✓ Provide a one-time *Notice to FDA of Distributing VFD Feeds*
- ✓ Request an *Acknowledgement of Distribution of Limitations of VFD Feeds* if you distribute a VFD feed to another distributor
- ✓ Comply with all applicable state and federal feed regulations that apply to your operation
- ✓ Prepare for regulatory inspections to occur unannounced and designate a person who is authorized to accompany the inspector
